

Fleet Wash Program

Commercial fleet accounts — 20% off every wash, one invoice a month

102 S County Square Dr · Jacksonville, IL 62650 | (217) 243-5872 | www.platinumshineautowash.com

A Cleaner Fleet, Billed Once a Month

Keeping your company vehicles clean protects your brand, your paint, and your resale value. The Platinum Shine Fleet Wash Program is built for busy operators — issue a card to each vehicle or driver, wash any time day or night at our self-serve bays or automatic wash bay, and pay one itemized invoice per month with an automatic 20% discount already applied.

How It Works

1. We issue you branded fleet cards — one per vehicle, driver, or department.
2. Drivers swipe at any self-serve bay or the automatic wash bay — the wash starts right away.
3. Every transaction is logged with date, time, card, and amount.
4. You receive one itemized invoice each month with the 20% fleet discount already applied.
5. Pay by check, ACH, or card — **Net 15** from invoice date.
